**The Power of Your Actions**

One day, when I was a freshman in high school, I saw a kid from my class walking home from school. His name was Kyle. It looked like he was carrying all of his books. I thought to myself, "Why would anyone bring home all his books on a Friday? He must really be a nerd." I had quite a weekend planned (parties and a football game with my friend the following afternoon), so I shrugged my shoulders and went on.

As I was walking, I saw a bunch of kids running toward him. They ran at him, knocking all his books out of his arms and tripping him so he landed in the dirt. His glasses went flying, and I saw them land in the grass about ten feet from him. He looked up and I saw this terrible sadness in his eyes.

My heart went out to him. So, I jogged over to him, and as he crawled around looking for his glasses, I saw a tear in his eye. I handed him his glasses and said, "Those guys are jerks. They really should get lives.

He looked at me and said, "Hey, thanks!" There was a big smile on his face. It was one of those smiles that showed real gratitude. I helped him pick up his books, and asked him where he lived. It turned out he lived near me, so I asked him why I had never seen him before. He said he had gone to private school before coming to this school.

I would have never hung out with a private school kid before. We talked all the way home, and I carried his books. He turned out to be a pretty cool kid. I asked him if he wanted to play football on Saturday with me and my friends. He said yes. We hung all weekend and the more I got to know Kyle, the more I liked him. And my friends thought the same of him. Monday morning came, and there was Kyle with the huge stack of books again. I stopped him and said, "Dang boy, you are gonna really build some serious muscles with this pile of books everyday!". He just laughed and handed me half the books. Over the next four years, Kyle and I became best friends.

When we were seniors, we began to think about college. Kyle decided on Georgetown, and I was going to Duke. I knew that we would always be friends, that the miles would never be a problem. He was going to be a doctor, and I was going for business on a football scholarship. Kyle was valedictorian of our class.

I teased him all the time about being a nerd. He had to prepare a speech for graduation. I was so glad it wasn't me having to get up there and speak.

Graduation day arrived - I saw Kyle and he looked great. He was one of those guys that really found himself during high school. He filled out and actually looked good in glasses. He had more dates than me and all the girls loved him!

Boy, sometimes I was jealous. Today was one of those days. I could see that he was nervous about his speech. So, I smacked him on the back and said, "Hey, big guy, you'll be great!"

He looked at me with one of those looks (the really grateful one) and smiled. "Thanks," he said. As he started his speech, he cleared his throat, and began. "Graduation is a time to thank those who helped you make it through those tough years. Your parents, your teachers, your siblings, maybe a coach... but mostly your friends. I am here to tell all of you that being a friend to someone is the best gift you can give them. I am going to tell you a story."

I stared at my friend in disbelief as he told the story of the first day we met. He had planned to kill himself over the weekend. He talked of how he had cleaned out his locker so his Mom wouldn't have to do it later and was carrying his stuff home. He looked hard at me and gave me a little smile. "Thankfully, I was saved. My friend saved me from doing the unspeakable."

I heard the gasp go through the crowd as this handsome, popular boy told us all about his weakest moment. I saw his Mom and dad looking at me and smiling that same grateful smile. Not until that moment did I realize its depth.

Never underestimate the power of your actions. With one small gesture you can change a person's life. For better or for worse. God puts us all in each other's lives to impact one another in some way. Look for God in others. "Friends are angels who lift us to our feet when our wings have trouble remembering how to fly." -Touching Story

**A HERITAGE OF SERVING**

*The history of a family so often dictates their future . . . and so it was and is with us.*

*The year was 1906, the month was March and the ship Princess Louisa made port in the New York Harbor.*

*On board was an 18 year old lad, Nicola Crivelli, who came to America, the land of opportunity. He couldn't speak the language and his net worth was comprised of a five dollar bill.*

*After clearing customs Nicola headed for Scranton, PA. where for a short two-week period he found work as a slate picker in the coal mines for six cents per hour.*

*From there he journeyed west to Beaver County and secured a good job with the A & S Railroad of J & L Steel for 15 cents per hour. Nicola then took up residence in West Aliquippa.*

*When Nicola set sail from Italy he had left behind the love of his life, Carmella Mancini. Seven years later in 1913 he sent for Carmella and they were wed just nineteen days after she arrived.*

*For the first fifteen years of their lives together, the Crivelli's remained in West Aliquippa and Nicola continued to work for the railroad.*

*In 1928, just months prior to the devastating stock market crash of 1929, something momentous took place. The Crivelli's purchased a home in Stowe Township and converted part of the new homestead into a confectionery-grocery store and a two-pump gas station, where the fuel was pumped by hand. This decision would affect their lives in ways Nicola and Carmella could have never imagined. At the same time Nicola took a job with the P. & L.E. Railroad, from which he would eventually retire.*

*The husband-wife team worked very hard during the depression years . . . Nicola with his ten-hour day at the railroad and coming home to relieve Carmella at the store, who then would devote the rest of the evening caring for the children and the home. During those trying years Carmella & Nicola continued to add to their already growing family.*

*In spite of colossally hard times, Nicola and Carmella flourished and the concept of serving was fast becoming a Crivelli tradition.*

*Typical of the Crivelli service oriented mind-set, was the evening a customer knocked on the stores door at 11:00 PM, long after closing hours, requesting a pound of*

Mr. & Mrs. Nicola Crivelli

*cheese. Nicola had his sons re-open the store to satisfy the customer's need. Thus, the Crivelli children were taught to serve by example.*

*In 1939 the Crivelli's opened their first automobile franchise, which was a Nash Agency. They operated the new dealership until 1941 when World War II curtailed auto dealership activities until after the war. During those years the Crivelli family had also built a trucking firm and builders supply.*

*In 1955 Nicola, Carmella and their eight children secured a Chevrolet franchise for the McKees Rocks area. In 1977 a Crivelli auto dealership opened in Beaver, 1980 in Franklin, 1983 in New Castle, 1989 in Mt. Pleasant, 1992 in Hopewell and 1994 in Reno.*

*The Crivelli family now represents the following automotive franchises: Chevrolet, Geo, Buick, Pontiac, GMC, Ford and Subaru. 295 full-time employees draw their livelihood from the Crivelli stores. That number includes 21 Crivelli family members as well.*

*Nicola was 18 years old and alone in a strange country with five dollars and a dream . . . a dream founded on the desire to prove his worth. From that small beginning a host of businesses arose, 295 full-time employees and one son, Nick Jr., who actually sat on GM's President's Dealer Advisory Council. The future lies ahead.*

**How It Works:** Local businesses want to reward you for your loyalty and support by offering you special deals on everything from your daily coffee to a new roof for your house. These rewards can save you a few cents on a car wash or a few hundred dollars on car repair. And, the best news is - the cards are valid for one full year! Our members will post their ever-changing "Rewards" right here on the site. All you need to do is show your own Local Rewards card to the vendor in order to receive their special reward.

**How Much Does It Cost?** As we launch the Local Rewards program, we'll be selling the cards at a reduced rate of only \$10. (That is less than \$0.03 per day for access to major savings while supporting the local community!) We do anticipate this price to increase soon, so don't wait, buy early - buy often! They also make fantastic gift cards!

**Where To Buy:** The Local Rewards cards are popping up all over town. You can find them at: Little Johnny's II, Hill House Restaurant, Shipping Depot+, Wilson's Automotive, Family Craft Center, Pizza Mans Pizza & Colortique Salon by Brooke in New Castle, Lori L's Hair Care Studio, Grand Paws, Five Two Six Salon & Blocher Jewelers, in Ellwood City, Scrap Booking Expressions, My Happy Place Consignment Store & Hot Headz Family Hair and Nail Salon in Union Twp., Mister Bs, Glo-Tique Sun Spa, & Mary Turner Skin Care & Day Spa in Neshannock twp., Walmo Dry Cleaning, Rebecca's Salon, Spa, & Boutique & Sweet Memories Candy & More in New Wilmington, Italian Take Out in Pulaski twp., Paramount Physical Therapy, Shenango Sunoco & Mister B's in Shenango twp. Country Corner Bake Shoppe in Laurel, and more to come. You can also find them through various fund-raising campaigns, or you can always buy them directly from us. Depending on where you purchase your Local Rewards card, a hefty portion of the proceeds will go toward supporting a non-profit, a school sports team, or the RelyLocal campaign to help stimulate the local economy.
