

I'd like to have my child's birthday party here at GM!

We want your experience with us to be easy and fun. The following steps will guide you through the booking process.

Step 1:

When would you like to have your party?

NOTE: Parties are typically on weekends, although other days can be worked out if a host is available.

Parties are booked in a 2 hour time-block, although you party will most likely finish before that 2 hours is up.

Parties on Saturday are either 3:30-5:30pm or 6:00-8:00pm. Parties on Sunday are 10-12am, 12:30-2:30pm, 3:00-5:00pm, or 5:30-7:30pm.

Step 2:

Approximately how many kids do you plan on having here at the party?

NOTE: We need to know this so we can staff your party accordingly.

Your base price is figured using this number.

1-8 kids \$87.00

9-12 kids \$117.00

13-16 kids \$147.00

17-20 kids \$177.00

Step 4:

Put down a deposit.

In order for us to reserve your time slot, we require a \$30 non-refundable deposit (\$50 for Gold parties).

Parties requested without a deposit are not guaranteed.

Cancellations must be made at least two weeks prior to your party date in order to transfer your deposit to another date.

Step 5:

Get your paperwork together.

We require a waiver to be signed by a legal guardian for all party attendees.

You may pick these up ahead of time (to send out with invites) and they are available on our website.

We will, of course, have them here at the party, too.

Step 6:

Gather supplies.

We provide the facility - you provide any decorations and/or refreshments.

You'll want to pick up a tablecloth (cheap, disposable is fine), plates, napkins, silverware, etc.

Any balloons, party favors, goodie bags, etc. are also up to you.

NOTE: The Gold package would take care of all of this!

Step 7:

Enjoy your party!

We do all the work - relax and have fun! This is your child's special day!

Let us know if there is anything else we can do to make your experience exceptional.

Thank you for letting us be a part of your child's birthday!

We know you'll have a great time!
